

**The Acropolis**

The map illustrates the Acropolis of Athens, a UNESCO World Heritage site. It shows the layout of major ancient structures and a suggested walking tour route marked with numbers 1 through 17. Key landmarks include the Propylaea (entrance), the Temple of Athena Nike, the Erechtheion with its Caryatid Porch, the Parthenon, the Odeon of Herodes Atticus, and the Theater of Dionysus. The map also shows the location of the Acropolis Museum and the Greek flag. A legend in the top left corner distinguishes between standing ruins and original footprints. A scale bar at the bottom indicates 100 meters and 100 yards. A north arrow is located in the top left corner.
